9. Councillors to discuss & resolve the following items:

9.1 – Residents Complaint regarding Wyberts Play Park

To discuss and resolve: The clerk has been in contact with Kompan with regards to the issues the resident brought up at the last meeting.

- Remove the flag at the top of the tower and remove the roof, to stop children from climbing up on top, will reduce the height of the tower. This will be a cost to the parish council
- Installing CCTV signs to help with the teen problem
- The tower over time should reduce in size by shrinking into the ground.
- Installing more accessible equipment (roundabout) would cost £20k.
- The roundabout will not be in the actual playpark as there is not enough space to accommodate, as new footpaths, fencing and wet-pour is required. The equipment would need to sit flush with the ground. The equipment will be nearer the road, as they cannot instal by the dip in the ground.
- The play park is in the ideal position, as agreed on the first meeting with the councillors and Kompan. If the park was to be placed further from the original position it would again be by the main road, due to the dip in the ground.
- Placing shrubs around the perimeter of the fencing near the residents' properties will help with privacy with the residents.
- Providing a contribution towards the cost of the fence to the resident.

9.2 – Letter of Thanks to a resident – Cllr Steve Slater

Cllr Steve Slater would like a letter of Thanks to be sent to the resident that cuts the grass in the Churchyard.
