Cllr Alison Austin – Report – Appendix A

I have not yet returned to attending council meetings since my accident in early December, however I recently had a meeting with Highways Officers at my house. We discussed the concerns of Parish Councils, Wyberton in particular.

I've had requests regarding speed limits in Wyberton, but there is to be a review of the speed limit policy and there will be no changes to current limits until after then.

FYI, the speed restrictions relate to the number of entrances on a specific stretch of that road.

The other item that I've been involved with is pedestrian crossings.

The one that I obtained several years ago on the A52 from Downtown to the Alban Retail Paris is to be upgraded to a light controlled crossing. Similarly, for the one to be installed from near the Co-op across London Road to Parthian Avenue. We. (Richard and I) agreed the location with a Highways officer before Christmas.
