Annex A

Email communication received from Cllr Chris Mountain. – dated 14 June 2023

Cllr Chris Mountain will try to attend the meeting this evening, however due to work commitments might not be able to attend.

Please see information below:

In the case of I'm delayed or unavailable I can only apologise; the parish council attendance is one of my priorities behind the on boarding training.

If I'm unable to attend please accept the report below as to what I'm currently working on in the parish.

- I've had 3 residence approach me over potholes on Parthian Avenue & Tytton Lane East. I've helped them log these issues on the fix my street app.
- Regarding the play area at the top of Parthian Avenue, this has been mentioned at Wyberton Primary school gates (where my children attend) and the overall feeling that people have is a positive one. The idea of an unrestricted (time) play area seems to be the focus as sometime Parents & children find the social clubs gate locked during the day or evening.
- I've been contacted by a number of residences over B/22/0366 – Heron Park. Whilst this is located in St Thomas's Ward, I do see the impact on Wyberton as the connecting roads used would be via our Ward. I've assisted 8 people to log their objections on the planning portal. I've also highlighted this application to other Boston Independent members.
- I'm currently supporting a family at the request of Child Services in reference to a grant application for adaption to their social housing.

If the Parish Council require any support on any matter, I'm more than happy to assist. The easiest way to contact myself would be via email or via phone (voice/ SMS / WhatsApp is fine) on 07514809092.

Kind regards
Cllr Chris Mountain
