## Our Mission

The Council remains dedicated to acting in the best interests of parishioners by actively listening to their views, responding to their needs, and working to improve their overall wellbeing.

To represent, support, and serve the people of Wyberton by fostering a safe, sustainable, and inclusive community, preserving our parish's unique character, and ensuring effective, transparent governance in all that we do.

## Our Values

### Integrity

We act with honesty and transparency in all our decisions and communications, upholding public trust at every level.

### Accountability

We take responsibility for our actions and decisions, ensuring they reflect the best interests of our parishioners.

### Respect

We value the views of all residents and treat everyone with fairness, courtesy, and consideration.

### Community

We are committed to strengthening community ties, encouraging participation, and supporting local initiatives.

### Responsibility

We take seriously our role in protecting and preserving the village's rural character, heritage, and natural environment for current and future generations.

### Collaboration

We work constructively with residents, local organisations, and external bodies to achieve shared goals.

## The Seven Principles of Public Life

### Core Commitments

We act as a democratic voice for the parish, ensuring that the concerns, interests, and aspirations of local residents are communicated effectively to higher authorities and incorporated into local decision-making.

### Transparency and Accountability

The Council will conduct its business with integrity, openness, and a commitment to public accountability. We will maintain clear communication with residents and make council information easily accessible.

### Preservation of Rural Heritage and Environment

We will protect the rural character, historical assets, and natural environment of Wyberton. This includes promoting sustainable practices, supporting conservation initiatives, and ensuring that any development aligns with the parish's heritage and landscape.

### Enhancing Local Quality of Life

The Council will work to maintain and improve local amenities, services, and infrastructure. We aim to support initiatives that contribute to a high quality of life for all age groups, including safe public spaces, recreation, and social cohesion.

### Community Engagement and Empowerment

We will encourage active participation from all sectors of the community. Through partnerships, events, consultations, and support for local groups, we seek to build strong community networks and foster civic pride.

### Support for Local Economy

The Council recognises the importance of local enterprise, agriculture, and tourism. We will support economic initiatives that contribute to a resilient local economy while respecting the parish's character and values.

### Conclusion

Wyberton Parish Council is committed to responsible leadership and proactive service to the community. Guided by strong values, ethical principles, and the voices of our parishioners, we aim to ensure that Wyberton remains a vibrant, safe, and desirable place to live and work—both now and for future generations.
